091 Goldfluid®

Multi-layered - Glossy Metallic-like Gold front with a Black Back

096 Bluefluid®

Multi-layered - Glossy Metallic-like Blue front with a Black Back

Approximate PMS Comparison Guide

Sheet Colour to PMS Colour is a guide only. They do not match exactly. Some are closer to the Coated (c) or Uncoated (u) versions. Trans Colours are compared with a white backing behind trans colour swatch. We can match to PMS Colours subject to minimum order quantities.
